# Fixture Mount Stabilizer Clip

## FMSBC1

The new FMSBC1 Fixture Mount Stabilizer Clip, part of the CADDY® line of fasteners from ERICO®, effectively secures and levels ceiling tiles that have lifted during the installation of trim rings and signage. This unique clip requires no tools for installation and is ideal for use with square or hex-shaped electrical boxes.

The FMSBC1 helps eliminate bulges in ceiling tiles for a professional-looking installation. It can be used on boxes with or without plaster rings. This easy-to-adjust clip is made from a high-strength, low-alloy steel and maintains its shape after installation.

Part Number	Description	Standard Packaging Quantity
FMSBC1	Fixture Mount Stabilizer Clip (FMSBC1)	100

### WARNING

ERICO products shall be installed and used only as indicated in ERICO's product instruction sheets and training materials. Instruction sheets are available at [www.erico.com](http://www.erico.com) and from your ERICO customer service representative. Improper installation, misuse, misapplication or other failure to completely follow ERICO's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death.
